

In order to upgrade the tunnel management automated system (SKADA) in the Rikoti road tunnel located at km143 of Tbilisi-Senaki-Leselidze (border of the Russian Federation) international road, traffic is forbidden for all modes of transport between December 11 and December 15, from 23:59 pm to 07:00 am.

Traffic flow will be carried out on the bypass road of the Rikoti road tunnel.

During this period of time, towing devices will be provided in shifts at two different locations of Rikoti tunnel bypass road.

Traffic closure in the Rikoti road tunnel and diversion of traffic on the bypass road of the tunnel will be carried out according to the attached organization scheme of temporal traffic.
