

Based on information of the National Environmental Agency, due to intense precipitations, avalanche hazard takes place on Gudauri (Posta) -Kobi section of Mtskheta-Stepantsminda-Larsi international (border of the Russian Federation) road, as a result of which, traffic is forbidden for all types of vehicles on this road section.

Based on information of the National Environmental Agency, traffic will be carried out in non-stop mode on Mleta-Gudauri (Posta) section.

Traffic stops are forbidden on a km134-km135 (Dariali gorge) section of the same road.

This traffic mode will be carried out under direct supervision and coordination of the Patrol Police.
