

According to the National Environmental Agency, there is an avalanche hazard due to intense snowfall on Gudauri (Posta) – Kobi section of Mstkheta-Stepantsminda-Larsi (border of the Russian Federation) international road, as a result of which, traffic is forbidden for all types of vehicles.

According to the National Environmental Agency, traffic on Mleta-Gudauri (Posta) section will be carried out in non-stop mode.

Traffic stops are forbidden on a km134-km135 (Dariali gorge) of the same road.

This traffic mode will be carried out under direct supervision and coordination of the Patrol Police.
