

On December 27-28, 2017, JSC Georgian Railway plans to implement repair works of a railway track on the protected railway crossing located at km 10 of Samtredia-Lanchkhuti-Grigoleti international road (Sajavakho). For this purpose, traffic stop on the carriageway and diversion of traffic to the temporary ground road is necessary during this period of time.

During work implementation period, properly equipped tug vehicles will be provided on locations of work implementation and closures on this road section, also, relevant personnel of the JSC Georgian Railway (signalists) will ensure regulation of traffic flow during the work implementation period (contact person: Levan Lomadze, phone: 591-19-90-88).

This traffic mode will be carried out under direct supervision and coordination of the Patrol Police.

Traffic closure and its diversion to the temporary ground road will be carried out according to the attached organization scheme of temporal traffic, agreed with the letter MIA 0 17 02937105 of Patrol Police of the MIA dated 06.12.2017.
