**One** application **signed in original** must be supplied (one for each lot, if the tender procedure is divided into lots), together with **three copies**. For economic and ecological reasons, we strongly recommend that you submit your files on paper (no plastic folder or divider). We also suggest you use double-sided printing wherever possible. Your application must include a signed declaration using the annexed format from each legal entity making the application. **All data included in this application must concern only the legal entity or entities making the application.**

Any additional documentation (brochures, letters etc.) sent with your application will not be taken into consideration. Applications submitted by a **consortium** (i.e. either a permanent, legally-established grouping or a grouping set up informally for a specific tender procedure) must follow the instructions applicable to the consortium leader and its members.

If this application is being submitted by an individual legal entity, the name of that legal entity should be entered as 'Leader' and all other lines should be deleted. **Any change in the identity of the Leader and/or any consortium members between the deadline for receipt of applications indicated in the Contract Notice and the award of the contract is not permitted without the prior written consent of the Contracting Authority. The projects referenced must have been completed within the reference period (although started earlier). However, if the consultancy services have been provided within the framework of an investment and no separate contract / agreement has been signed for these services, such references will only be used if the value and scope of the services provided can be clearly identified and supported by adequate documentary evidence. If this is the case, a mention in this regard should be included in the table under the "Detailed description of the project".

\*\*Where the projects referenced have been implemented by consortia comprising two or more of the members now associated as a consortium for this tender procedure, please indicate here the names of the respective members. If applicable, please differentiate who is financing the investment and who is financing the Technical Assistance.

If this is the case, the tenderer will indicate, in an endnote to the table corresponding to such a reference, the exchange rate used and its value month. InforEuro monthly rates are available at the following website: <http://ec.europa.eu/budget/inforeuro/index.cfm?Language=en> . The effect of inflation will not be taken into account
